WEDDINGS: We offer much more than just a ballroom: the possibility to rent the entire castle. This is your home away from home — you live in the castle, and you are welcome to organise your wedding celebrations there, at your convenience.

You will stay on site in the 23 rooms of the castle, surrounded by family and friends. The newlyweds will be received by two gorgeous suites each measuring over 40m² on your wonderful wedding night.

The premises are at your disposal, so your guests can make the most of the marvellous venue. Besides your wedding, there will be memorable reunions to celebrate. We have four 50m² adjoining reception rooms that will allow you to organise a warm and personalised ceremony. The castle can accommodate up to 80 people inside, and 250 people outside.

Two lounges located on ground floor can be utilised however you please, such as allocating them to children so they can play comfortably. Unfortunately, the interior of the castle is not wheelchair accessible.

The castle also boasts a professional kitchen, which will be accessible to your caterers.

Our enchanting 12-hectare wooded park will capture your imagination of the wedding you've always dreamt of. If desired, a tent can be set up for a larger number of guests, and the reception can be held on our magnificent terraces.

Your wedding photos will be set against this stunning, verdant backdrop, with picturesque ponds, century-old trees, and a charming little bridge.

Religious ceremonies can be hosted at the Laverdines chapel, situated opposite the castle.

As it is walking distance from your reception venue, you can coordinate a procession gathering your nearest and dearest to make its way there and back.
